In March 2025, a cyberattack targeted Malaysia's main airport operator. A top government official publicly announced that no ransom would be paid to the attackers.

Find the full name of the person.

Submit the flag in this format:

ctfcw{xxxx_xxxxx_xxxxxxx}

We using method try and error, then we get the flag.

Flag : ctfcw{seri_anwar_ibrahim}

Can you find the flag in discord ?

Submit the flag in this format: CW25{answer}

After clicking on discord link, we log in and enter the channel. After that we go check the ticket section and found the flag that already been encode using base64, we just decode the flag using cyberchef and get like this

Input
UzRuMXR5X0NoM2Nr

ABC 16 1

Output
S4n1ty_Ch3ck

Flag : CW25{S4n1ty_Ch3ck}
